

FADE IN:

INT. KITCHEN - DAY

A WRITER sits at a wooden table, staring at a blank screen.
Coffee steams in a chipped mug.

WRITER
(quietly)
Just one good line. That's all I need.

The screen blinks back.

VOICE (O.S.)
You said that yesterday.

CUT TO:

EXT. ROOFTOP - NIGHT

Stars overhead. The writer steps to the edge, notebook in hand.

FADE OUT.
